RESPONSES TO QUESTIONS RECEIVED PRIOR TO THE INITIAL QUESTION CUT-OFF DATE: RIVER TUBE CONCESSION AT DELAWARE & RARITAN CANAL STATE PARK

1. **Question 1.** I am a little confused on the basis for bidding for the tubing concession on the Delaware & Raritan canal State Park. Ultimately the payment to the Department is based on the $1/tube (or $2/tube in the renewal period), that amount is not impacted by bidding. So is it correct that the basis of the bid is only the Minimum Annual Fee?

   RESPONSE: Please refer to Paragraph 5 (CONCESSION PAYMENT AND INCREASE) which outlines the bid specifications related to your question.

2. **Question 2.** How long do you expect it to take to finalize the winning bid?

   RESPONSE: The Department anticipates the successful bidder will open and operate in accordance with the start date identified in Paragraph 7 (HOURS OF OPERATIONS AND LIMITATIONS) of the Bid Specifications, unless otherwise pre-empted by health and safety concerns related to Coronavirus (COVID –19).
