

Spruce Run Recreation Area Waterfowl Hunting Information

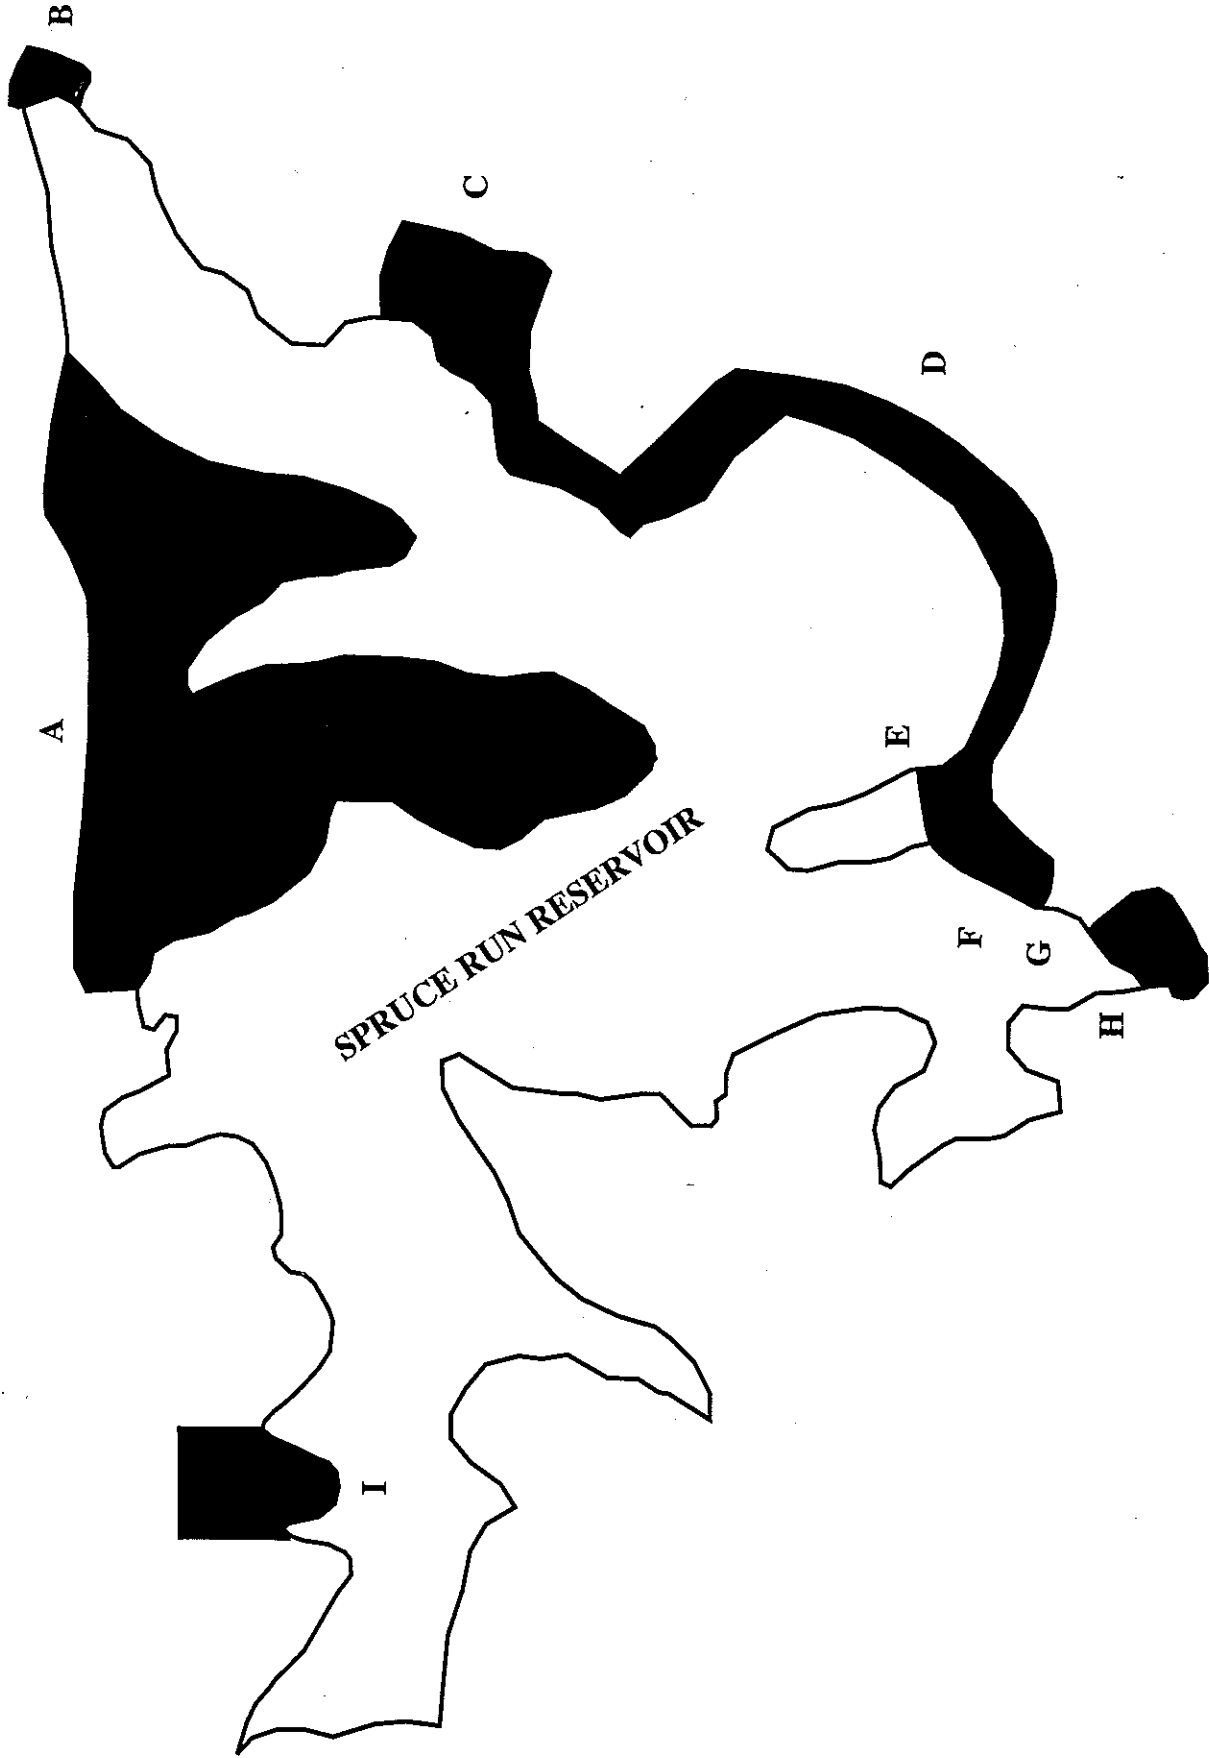

1. Waterfowl hunting is not permitted on Spruce Run Recreation Area lands.
2. Waterfowl hunting is permitted from the high water mark to the water and the entire reservoir except at the following locations:
 - a. Within 450 feet of any residence or building.
 - b. Within 450 feet and in front of the office located near the intersection of Route #31 and Van Syckel's Road.
 - c. Within 450 feet and in front of the New Jersey Water Supply Authority Office and residence located on Route #31 and within 450 feet of the high-water mark between areas C and D.
 - d. The dam and directly in front of the dam.
 - e. The area between the dam and a six-foot chain link fence.
 - f. The water spillway and the area directly in front of it.
 - g. The area between the water spillway and a six-foot chain link fence.
 - h. Within 450 feet and in front of a New Jersey Water Supply Authority residence located between the water spillway and Rupples Road.
 - i. Within 450 feet and in front of a private residence located on Van Syckel's Road (near the north side of the "Power Lines").

Other Notes:

- a. Hunters may not shoot into the park, may not park their vehicles in the Camping Area and are to be observant of other Park visitors (campers, hikers, boaters, fishermen, etc.).
- b. Hunters may park their vehicles in Spruce Run but must leave the Recreation Area by the posted closing time.
- c. Hunters using a boat must launch their boat at the Boat Launch Area only. This area is open to boaters 24 hours. Hunters launching before sunrise or returning after sunset are reminded that their boat must be equipped with proper navigation lights.
- d. All hunting, boating and State Park Service regulations apply and are enforced.
- e. Hunting is not permitted off the Camping Area point prior to October 31st.
- f. Guns are to be cased while in Spruce Run and walking to permitted hunting areas.
- g. Permanent hunting blinds are not permitted.

**Please refer to map on reverse side.*
