NJ Urban and Community Forestry Program

Approved Status 2017:

| Approved Status 2017: | Yes |

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

### 1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

NJ Urban and Community Forestry Program

Approved Status 2017:

Yes

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

<table>
<thead>
<tr>
<th></th>
<th>Yes</th>
</tr>
</thead>
</table>

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan  
2. Core Trained Community Representatives  
3. Continuing Education Credits  
4. Annual Accomplishment Report

### 1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

<th>NO</th>
</tr>
</thead>
</table>

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan  
2. Core Trained Community Representatives  
3. Continuing Education Credits  
4. Annual Accomplishment Report

### 1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

2. CORE Trained Community Representatives

The Act requires each municipality/county to have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer | Joseph Clark |
Primary CORE Municipal Employee | Steve Longo |

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. Continuing Education Units

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2017 CEU Credits | 51 |
Number of Individuals Who Have Acquired CEU Credits to date in 2017 | 10 |

*Details about CEU's are listed on Page #2 of this Status Report.

4. Annual Accomplishment Report

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year’s work.

NJ Urban and Community Forestry Program

Approved Status 2017:

Yes

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Units
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

### 1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

To receive and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

| Primary CORE Volunteer | Fran Grenier | Primary CORE Municipal Employee | Cynthia Dalessio |

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION CREDITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.
